

The First in Synthetics®

RETAIL ACCOUNT PROFILE SHEET

To Be Completed by AMSOIL Dealer

Company Name: _____

Does the business operate out of a storefront with public access? Yes No

If no, please explain: _____

(A photo or other documentation is required if the business is not located in a conventional retail-on-the-shelf setting - see G-1097 for details)

Please provide a detailed description of the business (products sold or services provided): _____

Does the business service vehicles? Yes No

If yes, please describe: _____

AMSOIL products to be sold by the business: _____

Associated products which are sold by the business: (please list brand names): _____

Does the business advertise? Yes No

By submitting this application and account profile sheet, I affirm an individual with proper authority within the organization has given authorization to establish an account for the purpose of purchasing AMSOIL products. This potential account has been informed of the policies and procedures for AMSOIL retail-on-the-shelf accounts, which include but are not limited to:

- a) The AMSOIL Retail-on-the-Shelf Program contains a 12-store policy regarding the number of retail locations owned by one business (see the AMSOIL Commercial & Retail Marketing Procedures (G-1097)).
 - Businesses that own more than 12 retail outlets may register individual outlets as separate accounts.
 - Individual outlets/accounts may not use centralized distribution, group shipments, transfer products between outlets or combine advertising credits.
- b) AMSOIL retail accounts may not sell AMSOIL products via the Internet or retail catalogs.
- c) AMSOIL retail accounts are not allowed to publish prices of AMSOIL products in any national advertising medium, including broadcast, print or electronic formats.

I accept responsibility for informing accounts of any new policies which may supercede existing policies.
